2. New overhead telephone lines were laid in the Rathenow area after mid-August. Some led to the Ziethen Kaserne and others to the Wudicke airfield. The lines had been removed again by 15 September. In late August, the field bakery located in the Old Age Home in Rathenow was joined by another field bakery with 16 ovens.
 3. Numerous signal units bivouacked in the woods southeast of Rathenow between 2 and 9 September. Between 5 and 7 September, six U-2's, sometimes flying at low levels in formations of three, were observed at the alternate airfield on the western perimeter of Rathenow.

of the GOFG and of the 1st and 2nd Guards Mechanized Armies were observed with

the signal units mentioned in paragraphs 2 and 3. It is assumed that the

central command echelon of the GOFG was stationed in the Rathenow area and that this
